Sunday, April 7, 2019

Best Western, Lacombe

4:30 PM - Doors Open

5:00 PM - Keynote and Presentations

6:15 PM – Refreshments and time to connect

ALL WELCOME

Be Inspired

Greetings!

If you could see what I see right now, you'd be inspired.

I see thirty Canadians- engineers, physiotherapists, accountants, occupational therapists, executives, speech therapists, project managers, and assistants- all volunteering and improving the lives of people in Kenya.

For 29 years people from all walks of life have contributed to making this world a better place through the work of A Better World. I invite you to come and hear inspiring stories at our 29th anniversary. It's not only a celebration for the talented volunteers and generous donors. It's also a time to let others know about the projects and people who mean so much to you. Please bring friends and introduce them to A Better World.

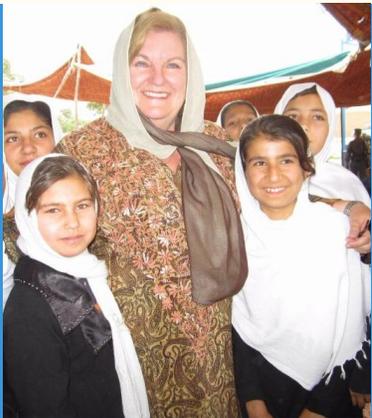

Thank you for supporting A Better World

Sincerely,

Eric Rajah
Co-Founder and Executive Director

Celebrating The Completion Of The 100 Classrooms Project

17,000 Students Enrolled | \$1.4 Million Raised

Keynote Speaker: Gail Misek

Surrey, BC

You will have the privilege of meeting and listening to Gail Misek. Gail not only spent decades working as a teacher in British Columbia, but she has been one of the ultimate champions of education for all, with a special heart for the girls, worldwide, who have been the victims of discrimination, or have been denied access to education during their key developmental years. She made trips to Kenya and Afghanistan to follow up on and further contribute to the educational projects of A Better World Canada, including The 100 Classrooms Project. This is a golden opportunity for all of us to be inspired by her compassion and commitment as she shares her story of courage, and of reframing personal tragedy into the fulfillment of a lifelong dream to build a more hopeful future for the children of Afghanistan and the world.

Clean Water For Over 440,000

Your support has helped give clean water to numerous communities and schools in many countries. As of 2019, more than 440,000 people now have access to reliable and clean sources of drinking water. Come and listen to reports from our project managers on the ground as they discuss how these projects are impacting lives every day. Visit our new website to read about completed projects and to find projects that are currently in need at www.abwcanada.ca.

Volunteers Make It Happen

In the past five months alone, more than 50 volunteers have traveled to Kenya, Tanzania, Rwanda, and Bolivia. Join us on April 7 to hear about their experiences first-hand. Since 1990, over 2500 volunteers have traveled and more than \$34 million has been generously given to help people in need. To read our annual report and newsletter, please click [here](#). Thank you once again for all that you are doing to make this world a better place.
