

Big Goal: Let's get children into schools

By 2030, 75,000 children will be enrolled in classrooms developed by A Better World

The communities from where these children come from will also have access to health services and clean water developed by A Better World

# of toilets at schools	1,100
# of health clinics	25
# of communities with water	40

2030

Our Plans for 2021

Our goals for this year will take us one step closer to the big goal:

By 2030, 75,000 children will be enrolled in classrooms developed by A Better World

The communities from where these children come from will also have access to health services and clean water developed by A Better World
